

Hygiene concept 2021 - Bavaria

Instruction sheet for exhibitors

Primary protection goals are:

1. enabling the respective current distance rules to be applied
2. traceability of contacts
3. feasibility of the german 3G concept (vaccinated, tested, recovered)

What applies to **EXHIBITORS**? (as of mid-October 2021):

Set-up and dismantling

- The current SARS-CoV-2 occupational health and safety regulations of the federal government apply on the stand area.
- Outside the stand area, the hygiene concept for trade fairs applies (obligation to wear a medical mask)

During the trade fair

- The current federal occupational health and safety guidelines apply to you and your employees
 ➔ <https://www.bmas.de/DE/Service/Gesetze-und-Gesetzesvorhaben/sars-cov-2-arbeitsschutzverordnung.html>
- The following applies to your employees (unless vaccinated or recovered):
 A negative rapid test **must be** submitted to the employer on at least two different days per week!
- Instruction of staff in hand hygiene and individual hygiene standards
- You are also responsible for health protection when meeting customers
- For catering stands, the current hygiene concept for the catering industry in Bavaria applies

Admission regulations :

- A check against the 3G admission concept (vaccinated, tested, recovered) for exhibitors is not necessary, but is recommended.
- Keeping daily staff lists on the stand
- Personalised permanent passes for exhibitors

Obligation to wear a mask:

- Wearing of a medical mask indoors (minimum requirement), this does not apply at fixed sitting / standing / or workplaces, as long as the minimum distance of 1.5m is maintained.
- In outdoor areas / open-air grounds: obligation to wear a medical mask if the minimum distance cannot be maintained.
- In cashier, counter and meeting areas, the obligation to wear a medical mask does not apply if employees are reliably protected by transparent partitions (see occupational health and safety).
 ➔ Transparent partitions can be ordered via the Online Service Centre / homepage.

This applies to our **VISITORS** and yours (as of mid-October 2021):

- Admission to the fair for visitors only if one of the 3Gs is proven.
→ Visitors will be informed comprehensively in advance, test stations will be available in the near vicinity
- Medical masks compulsory indoors
- In outdoor areas / open-air grounds: obligation to wear a medical mask if the minimum distance cannot be maintained
